Who are we

desall!

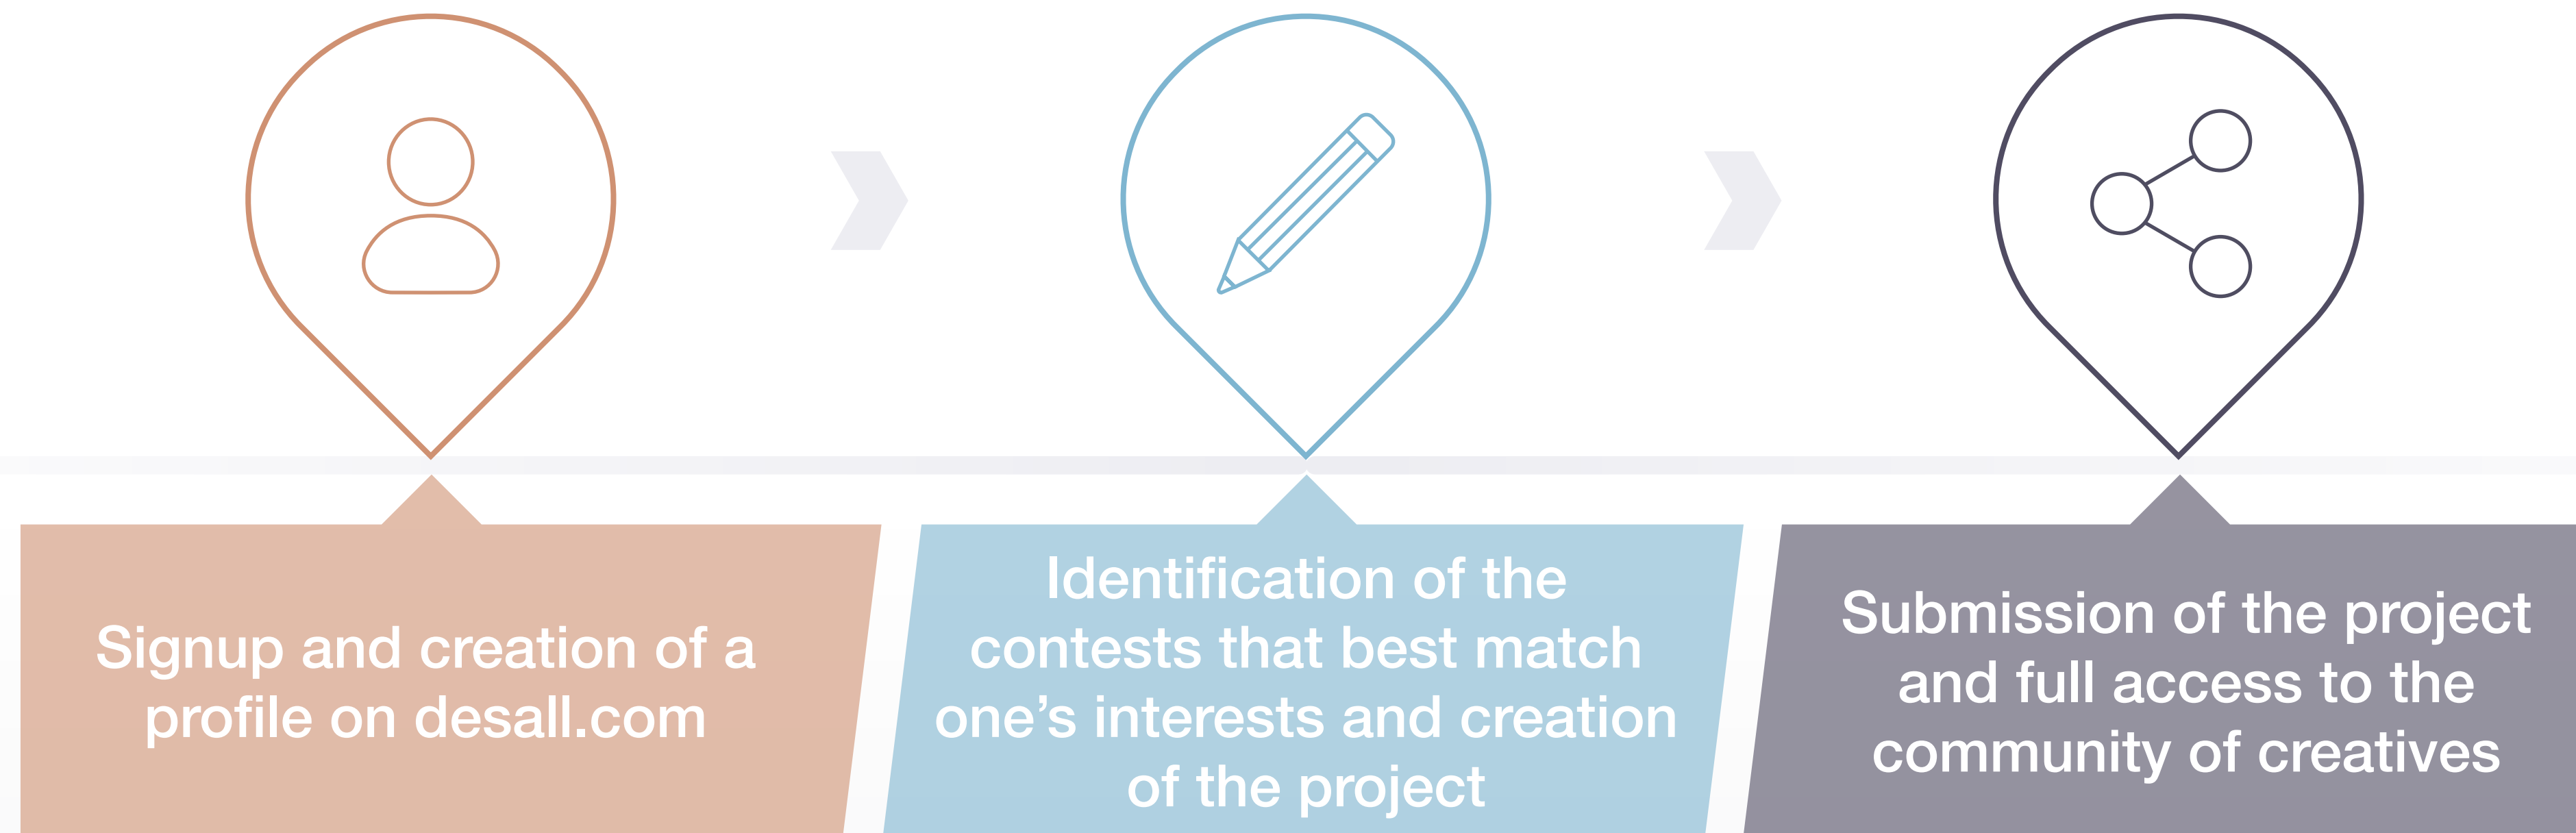

Desall.com is a **Made In Italy** design platform that connects creatives from all over the world with **leading companies** in various industries.

The aim of Desall is to **give value to the ideas of young talents** and give them the chance to interact with an **international community of designers** by participating in contests and other initiatives.

How to get started

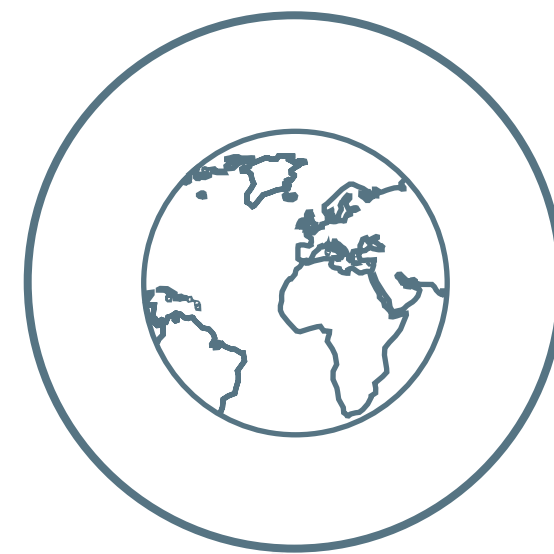

Joining the community of Desall is simple

Why choosing Desall

Desall is the ideal starting point for the career of young talents

Access to a **community of creatives coming from all around the world**, with whom one can share the passion for design.

Chance to create a **quality portfolio** based on real-life scenarios, by taking part in the entire creative process.

International awareness generated by the interest of designers and professionals.

Chance to **get in touch with the best companies on the market**, while running for cash awards and royalties.
